## About the Trainer:

*Erin is a Licensed Professional Counselor who has over 14 years of experience providing counseling, consultation, and trainings. Erin has many years of experience working with children (and their families) who have Pervasive Developmental Disorders such as Autism, and Asperger's Syndrome. She is trained in Applied Behavioral Analysis, and has experience creating and implementing behavioral programs in home and schools. Erin also has experience working with children who present a variety of behavioral and mental health challenges. She enjoys facilitating groups and trainings on a variety of topics such as social skills, trauma, anger management, and parenting.*
